## **Are you having trouble paying your tax or lodging your tax forms?**

You can ask for more time or pay smaller amounts.

Talk to the Tax Office and tell them why you are having trouble paying, then they will know that you are not ignoring the debt.

Free Tax Clinics can help you to complete the forms.

## **Lodge your forms on time, even if you can't afford to pay the bill.**

If you don't pay on time you might have to pay more.

Work out how much you can afford to pay each fortnight or month. Don't agree to a repayment plan that you cannot afford.

## **A small business financial counsellor can help to negotiate a payment plan that you can afford and sustain.**

Small business financial counsellors are free, qualified, confidential, and work to get the best result for you.
