**You have a right to feel safe and to make your own decisions...
including about money**

Are you making your own decisions?

- Are you reading your own mail?

Do you have enough money to live on?

- Can you buy the things you need?

Is someone making you feel uncomfortable about money?

- Are you under pressure to sign documents?
- Are you being asked for money?

Do you want to talk to someone about your financial situation?

- Financial counsellors are a free service where you can work through your questions and understand the choices you can make
- Your conversation is private – no one will know what you talk about
- We can also refer you to other forms of assistance if you need them
