

# Carer Pathway to financial counselling

As a carer, it can be hard to attend to your own needs. Sometimes money doesn't stretch far enough, and the caring role can be unpredictable.

- Not enough money?
- Feeling under pressure to meet payments?
- Looking for a way forward?

A financial counsellor can work alongside you and help you sort out your money problems.

Our new **Carer Pathway** is exclusively for carers, giving you easy access to financial counselling through the National Debt Helpline.

Financial counsellors are completely independent and focus on your needs and choices.

Our assistance is free and confidential – no one will know what you talk about with us.
