# PREVENTION IS BETTER THAN CURE

Research at entry points across agencies shows

**3 out of 10** people experiencing homelessness were positively housed.

**8 out of 10** people at risk of homelessness who were provided help successfully kept their housing.

Almost **90 %** of clients supported by PRAP + in FY 2021-22 successfully maintained their tenancies and/or were living in a new secure long-term home.

HOUSING

IT'S TIME TO END  
HOMELESSNESS

Last year, **2%** of Melbourne's rentals were affordable and appropriate for people on income support

Employed people seeking support paying rent: Up from **9.5%** in 2019-20 to **20%** in 2022-23.

**3,343** Launch Housing clients received rental support – a **24%** increase over the last three years.
